## SOFTWARE PROFICIENCY

Adobe Photoshop, Illustrator; GoLive, AfterEffects, InDesign; Dreamweaver; MS PowerPoint;  
Fluent in HTML, XML, & CSS coding.

## RECENT REPRESENTATIVE EXPERIENCE

### They Might Be Giants -

Maintained website content (news, multimedia downloads) for main fan site; edited & built mass e-mails / newsletters; built street team website and designed promotional tools; created album artwork & layouts for commercially-released as well as promotional CDs, plus corresponding collateral materials (posters, t-shirts, etc.)

### OK Go -

Created artwork for website, EPKs, posters and branded merchandise.

### Spiraling -

Designed / created artwork and packaging for commercially-released CDs in addition to corresponding collateral items (merchandise, promotional posters/cards, etc.); created album-branded website with basic e-commerce integration & branded EPK template

### Super Toy Mojo -

Created logo and database-driven e-commerce site for online toy/collectibles retailer; contributed initial site content management while training client's team on site utilities

### Shephard, Mullin, Richter & Hampton LLP

Designed & created newsletters, announcements, invitations, event signage & materials; assisted throughout firmwide re-branding/positioning; developed e-marketing strategies / materials for business development; produced presentation & trial graphics; created original artwork for advertising, events & client gifts.
